Referral Program - Terms & Conditions

1. Eligibility: The referral program is open to all active clients of Kyrios Fx Advisory. Referrals are eligible for commission once the referred client successfully starts trading under Kyrios Fx Advisory.

2. Referral Structure:

- Stage 1 (Direct Referral): 15% of Kyrios Fx Advisory's profit share.
- Stage 2: 7.5% of Kyrios Fx Advisory's profit share.
- Stage 3: 7.5% of Kyrios Fx Advisory's profit share.

The commission is based on the company's profit share from the referred client's trading activity.

3. Referral Commission Calculation: Commissions are calculated from the company's profit share after the trading week ends. Referrers will receive their commissions after the referred client has paid Kyrios Fx Advisory's profit share.

4. Payment of Commissions: Once Kyrios Fx Advisory receives the profit share from the client (on a fortnightly cycle), commissions will be credited to the referrer's wallet on the Wednesday following the end of the two-week profit period. Referrers can request a withdrawal on Thursday and Friday through their Member Panel access. The payout will be transferred to the referrer's account by the following Monday.

5. Conditions for Valid Referrals: A referral is valid when the referred client completes their account setup, provides the necessary MT5 credentials, and starts trading. Multiple referrals from the same referrer are allowed, but commissions are based on each referred client's trading profits.

6. Non-Eligible Referrals: Self-referrals are not allowed. If a referred client terminates their agreement with Kyrios Fx Advisory before trading starts, no commission will be paid.

7. Referral Activity Monitoring: Kyrios Fx Advisory will monitor referral activities. Any misuse, fraud, or violation of these terms will result in termination of referral benefits.

8. Strict Policy: Kyrios Fx Advisory does not allow any referrer to collect money directly from clients under any circumstances. If this happens, we are not responsible for any issues or losses. Kyrios Fx Advisory never collects money from clients at any point. Our only earnings come from the profit share based on trading profits made in the client's account.

9. Confidentiality: Referrers must keep all information related to referred clients confidential and are not allowed to share any personal or trading information.

10. Changes to the Referral Program: Kyrios Fx Advisory reserves the right to change or cancel the referral program at any time, without prior notice. We also reserve the right to cancel the referral program entirely without prior notice. Continued participation means you accept the new terms, should they be implemented.

11. Termination of Referral Program: Kyrios Fx Advisory may end a referrer's participation if these terms are violated or if referral activity harms the company's interests.

12. No Claims on the Company: Referral members have no right to make any claims against Kyrios Fx Advisory, its affiliates, or its subsidiaries. By participating in the referral program, members acknowledge and agree that they are not entitled to any type of compensation or claim beyond the commissions earned through the program.

By proceeding, you have accepted the terms and conditions.
